Acme Corp Compliance Policy

1. Data Protection

All personal data must be encrypted at rest and in transit.

Access to personal data is restricted to authorized personnel.

Data retention periods must be documented and enforced.

2. Access Control

Role-based access control is mandatory for all systems.

Principle of least privilege applies to all permissions.

Access reviews must be conducted quarterly.

3. Incident Reporting

Security incidents must be reported within 24 hours.

All incidents require a post-incident review.

Regulatory notifications must follow applicable laws.
